Dear Commissioner:

Regarding the above application, Applicant received a Form PTO-948 "Notice of Draftsperson's Patent Drawing Review" on December 7, 2004 objecting to the drawings originally filed with this application on October 11, 1999. Specifically, the Draftsperson objected to the margins and character of the lines and reference numerals.

Attached are Replacement Drawings for Figures 1-12 (16 Sheets total) that are believed to obviate the Draftsperson's objections. The margins have been corrected and appropriate line weights and font sizes have been used. No other changes have been made.
